

CLEAN IT RIGHT

Giving your business a competitive edge!

NEW Transportation Module Now Available!

Clean It Right is a training program and business designation offered through the Tourism Industry Association of Nova Scotia (TIANS) designed to provide awareness and education on cleaning and sanitizing.

GOALS

1. Increase the safety of customers, guests, visitors and the workforce in the Tourism sector.
2. Regain customer confidence in returning to your establishment; reassuring customers to travel, shop and dine.

Clean It Right teaches you when, where and how frequent cleaning is required to provide a safe environment.

This program has long-term benefits for your business. The commitment to a clean and safe environment will give your business a competitive edge now and in the future.

To support the reopening of the visitor economy, Clean It Right is being offered at no cost to businesses in Nova Scotia's tourism sector for a limited time.

The Clean It Right program is now offered in four customized online modules:

Custom Modules:

1. Accommodations
2. Food & Beverage
3. Retail
4. NEW! Transportation

Upon successful completion of the program, participants are provided a Clean It Right certificate.

Earn Your Clean It Right Business Designation

Businesses that train all of their cleaning staff will receive a window decal to demonstrate your commitment to providing a clean and safe environment.

Clean It Right Designated Businesses are highlighted on [NovaScotia.com](https://www.novascotia.com).
